1 Purpose of Report

This report brings the latest version of the Committee's constitution to the notice of its Members. It also asks Members to consider what training they wish to receive in order to fulfil their role on the Committee effectively.

2 Recommendations

Members are asked to:

- a) Note the constitution of the Standards, Audit and Performance Committee (attached as an appendix); and
- b) Advise what training they wish to receive in order to fulfil their role on the Committee effectively.

3 Constitution

At its Annual Meeting the Fire Authority appoints Members to its committees, which may result in changes to their membership. Changes in the terms of reference of various committees have also been made in recent months.

Under the circumstances it is considered good practice for each of the committees to revisit its constitution at the first meeting after the Fire Authority Annual Meeting to ensure that all committee Members are familiar with the latest terms of reference. Accordingly, the constitution of the Standards, Audit and Performance Committee is attached as an appendix.

4 Training and Development

The Standards, Audit and Performance Management Committee has always been keen to undertake training in order to fulfil its role and manage change.

As a result, the Committee has requested and officers have arranged various briefing sessions over the past 3 years including:

- Statement of Accounts Awareness sessions
- Member Conference sessions on Service Transformation
- Risk Management
- CIPFA process for self-assessment and evaluation of the effectiveness of audit committees
- Treasury Management
- Cyber Risk Training

The Committee is asked to advise what training it wishes to receive in order to fulfil its remit effectively, especially given that the Committee's constitution now incorporates the scrutiny functions that previously sat with the Standards and Human Resources Committee.

5 Financial Implications

There may be some cost implications relating to the provision of training for Members but these are as yet unknown.

6 Legal Comment

There are no legal implications arising from this report.

Bringing the latest version of the Committee's constitution to the notice of its Members is not a legal requirement but represents good practice.
