The purpose of this report is to provide the Committee with the annual internal audit opinion on the organisation's framework of internal control, risk management and governance.

### 2 Recommendation

The Committee is asked to note the Report and the 2023/24 Internal Audit Opinion and Commentary.

### 3 Background

The Accounts and Audit Regulations and the Public Sector Internal Audit Standards (the Standards) require the Head of Internal Audit to provide an annual Internal Audit Opinion and report that can be used by the organisation to inform its Annual Governance Statement. The Standards also specify that the report must contain:

- An internal audit opinion on the overall adequacy and effectiveness of the organisation's governance, risk and control framework (i.e. the control environment);
- A summary of the audit work from which the opinion is derived and any work by other assurance providers upon which reliance is placed; and

- A statement on the extent of conformance with the Standards including progress against the improvement plan resulting from any external assessments.

**Appendix** to this report provides the Internal Audit Annual Report; this includes the Head of Internal Audit's opinion on the control environment for 2023/24 and the basis for this opinion. The Head of Internal Audit's overall opinion is that **Reasonable Assurance** can be given that there is an adequate and effective governance, risk and control framework in place, designed to meet the organisation's objectives.
