3 Background

In accordance with the Fire Authority's Standing Order 7(2) for the Regulation of Proceedings and Business, the Fire Authority is required at least annually to review the constitution and composition of any committees or sub-committees, which it has appointed.

4 Membership of Committees

Members will already have reviewed and decided upon the allocation of seats on committees to political groups at item 10a on the agenda for this meeting.

The Fire Authority is now asked to agree the appointment of named Members to serve on its committees. Current Membership of the Committees is set out in the Appendix to the report.

5 Delegation to Monitoring Officer

At the Annual Meeting in 2014 Members delegated permanent authority to the Monitoring Officer to approve changes to committee membership, proposed during the year by the appropriate Political Group Leader. This enables changes to be made quickly without the need to refer them to the full Fire Authority for ratification.

6 Local Government Association Fire Services Commission

Each year the Fire Authority appoints its representative on the Local Government Association Fire Services Commission, which has historically been the Chair of the Authority. Members are asked to consider whether this arrangement should continue and appoint its representative accordingly.

7 Member Champions

The Fire Authority has two Member Champion roles; one for Equality and Diversity and one for Risk Management and Audit. Councillor Pardy was appointed to the Equality and Diversity Champion role and Councillor Evans was appointed as Risk Management and Audit Champion in June 2022.

The Fire Authority is asked to appoint Members to these roles for the coming year.

8 Financial Implications

There are no financial implications arising from this report.
