1 Purpose of Report

This report presents a summary of the Service's performance for the period April 2015 to June 2015.

2 Recommendations

The Audit and Performance Management Committee is asked to note the report.

3 Performance Review

A summary of performance for the period April to June 2015 is provided at the attached appendix. Due to improvements in processing performance data, officers are able to provide more timely data to the Committee.

Analysis of available data for the reporting period indicates that 4 of the 6 Service Targets will achieve the year-end target based on current performance to date.

The Value for Money target is the External Audit assessment of the Authority that will be reported in September 2015.

4 Financial Implications

There are no financial implications arising from this report.

5 Legal Comment

Section 21 of the Fire and Rescue Services Act 2004 provides the statutory authority for the Fire Service National Framework and requires fire and rescue authorities to have regard to the Framework in carrying out their functions.

Members should have due regard to the Framework and, in particular, paragraph 2.8 in relation to the publication of performance information:

‘Fire and rescue authorities must make their communities aware of how they can access comparable data and information on their performance’.

6 Initial Impact Assessment

This report contains merely statements of fact / historical data. An Initial Impact Assessment is not, therefore, required.

7 Equality Impact Assessment

There are no equality or diversity implications arising from this report. An Equality Impact Assessment is not, therefore, required.
