

Fire Authority Work Plan 2024/25

Report of the Chief Fire Officer

For further information about this report please contact Simon Hardiman, Chief Fire Officer, on 01743 260201 or Germaine Worker, Head of Human Resources and Administration, on 01743 260210.

1 Purpose of Report

This report reviews progress against the Fire Authority's 2023/24 Work Plan and puts forward a 2024/25 Work Plan for consideration and approval by Members.

2 Recommendations

Members are asked to:

- a) note progress made against the Fire Authority 2023/24 Work Plan, as detailed at paragraph 4 of this report; and
- b) approve the 2024/25 Work Plan (attached at the appendix to this report), subject to any amendments / comments they may wish to make.

3 Background

Since March 2009, the Fire Authority has approved an annual Work Plan. The Plan sets out, in a structured way, what its activities will be throughout the year, thus ensuring that its legal obligations and constitutional responsibilities are carried out in a timely manner, that no deadlines are missed and that, as far as possible, business is distributed fairly evenly between its four meetings each year.

4 Review of 2023/24 Work Plan

Having conducted a review of the 2023/24 Work Plan, officers can confirm that all actions, listed in the Plan, have been carried out or are on the agenda for this meeting of the Fire Authority, with the exception of the following

June 2023

Review Delegations for Local Government Pension Scheme (LGPS)

The LGPS Delegations were not reviewed in 2023 as they were reviewed in December 2022. A new Delegations document was created at this time and agreed by the Fire Authority. The LGPS Delegations will be reviewed in 2024 in line with the Fire Authority Work Plan

October 2023 and December 2023

Receive Fire Alliance Update report

This report was not taken to the last two Fire Authority meetings of 2023 as there had been no further Fire Alliance meetings since the last update to the Authority in June 2023.

5 Proposed 2024/25 Work Plan

During the review of the 2023/24 Work Plan officers also considered what activities should be included in the 2024/25 Work Plan, taking into account any recent developments. Attached at the appendix to this report is a draft 2024/25 Work Plan, outlining all of the actions which, it is expected, the Fire Authority will need to carry out during the coming year.

The Fire Authority is asked to provide any comments or suggestions regarding the attached draft Work Plan and approve the contents.

6 Financial Implications

There are no direct financial implications attached to the approval of the Work Plan itself. There may, however, be financial implications associated with a number of the actions listed, for which individual reports will be brought to the Fire Authority as necessary, detailing those specific implications.

7 Legal Comment

The Fire Authority is not legally required to have in place a Work Plan. This is, however, considered to be good practice.

The decision to approve the Work Plan will not affect the discretion of the Authority during the forthcoming year, as it can, at subsequent meetings, decide to amend the Work Plan, if it is necessary to do so.

8 Initial Impact Assessment

This report merely sets out the Fire Authority's Work Plan for the coming year. An Initial Impact Assessment is not, therefore, required.

It is possible, however, that such assessments may be required in respect of individual actions contained within the Work Plan, which would be completed at the appropriate time.

9 Equality Impact Assessment

Officers have considered the Service's Brigade Order on Equality Impact Assessments (Personnel 5 Part 2) and have decided that there are no discriminatory practices or differential impacts upon specific groups arising specifically from this report. An Initial Equality Impact Assessment has not, therefore, been completed.

Again, it is possible that such assessments may be required in respect of individual actions contained within the Work Plan and these will be completed at the appropriate time.

10 Appendix

Proposed Fire Authority Work Plan 2024/25

11 Background Papers

There are no background papers associated with this report.

Shropshire and Wrekin Fire and Rescue Authority Draft Work Plan 2024/25
