3 Background

At its meeting in February 2012, the Fire Authority delegated authority to the Audit and Performance Management Committee to consider and approve the annual Statement of Accounts. The Committee will also receive the Annual Governance Report and the opinion of the Auditor, and will sign the Letter of Representation as those charged with governance.

The Statement for 2012/13 has been prepared in accordance with International Financial Reporting Standards, and is Appendix A to this report. Appendix B to the report details notable movements between financial years 2011/12 and 2012/13.

4 General Fund

The Statement of Accounts has now been audited by external auditors Grant Thornton, and their conclusions are also reported on this agenda. Key messages from the Statement were reported to the Fire Authority in July 2013, and the proposed use of the General Fund balance will be taken to Strategy and Resources Committee on 12 September, for consideration and recommendation to the Fire Authority.
