

## Public Value Measures 2013/14 Quarter One Performance: April to June 2013

### Report of the Chief Fire Officer

For further information about this report please contact John Redmond, Chief Fire Officer, on 01743 260201 or Steve Worrall, Assistant Chief Fire Officer, on 01743 260204.

### 1 Purpose of Report

This report presents a summary of the Service's performance for first quarter of 2013/14 (April to June), as recorded against the Public Value performance measures, set out in 2013/14 Service Plan.

### 2 Recommendations

The Committee is asked to note the report's contents regarding the first quarter's performance (April to June 2013).

### 3 Performance Review

A summary of performance for the first quarter is provided at the attached appendix. As previously reported, the appended data is unverified and known to contain a small, but tolerable, margin of error. Data is the subject of continuous cleansing with more accurate performance presented to Members as and when available, albeit the overall performance outcome against the measures is unlikely to change fundamentally.

Analysis of available data for the first quarter indicates that projected performance will lead to 7 of the 8 measures achieving the Fire Authority's set targets.

### 4 Financial Implications

There are no direct financial implications arising from this report.

## **5 Legal Comment**

Section 21 of the Fire and Rescue Services Act 2004 provides the statutory authority for the Fire Service National Framework and requires fire and rescue authorities to have regard to the Framework in carrying out their functions.

Members should have due regard to the new Framework and, in particular, to paragraph 2.8 in relation to the publication of performance information:

‘Fire and rescue authorities must make their communities aware of how they can access comparable data and information on their performance.’  
(paragraph 2.8)

Performance data is published on the Service’s website.

## **6 Initial Impact Assessment**

This report provides a set of historical data. An initial Impact Assessment is not, therefore, required.

## **7 Appendix**

Public Value Measures 2013/14: Quarter One (April – June 2013)

## **8 Background Papers**

A quarterly performance review summary is presented to every meeting of the Fire Authority’s Audit and Performance Management Committee.

Previous reports maybe viewed at:
