SAFETY FIRST

Partnerships

Progress

- All current and new partnerships are assessed to ensure they support the Brigade's Aims and Objectives and are risk assessed for their impact on the Brigade's finances, resources, liability and reputation.
- Governance arrangements for each partnership have been explored and further information sought where this is unclear
- Qualitative outcomes being recorded through case study reports from Partnership leads.
- The Partnership register records all income generated through partnerships and any expenditure over and above business as usual
- Partnership working has been linked to appropriate BVPIs

Forthcoming Activities

- Work currently underway with Warwick University to develop quantitative means to measure the Brigade's impact on the outcomes of partnership working.
- Further work on development of local partnership indicators
