Performance Assessment – Key Performance Indicators (KPIs)

Report of the Chief Fire Officer

For further information about this report please contact Paul Raymond, Chief Fire Officer on 01743 260200 or Helen Jones, Information Officer on 01743 260186.

1 Purpose of Report

To inform Members of the score which would be attributed to this Authority for the KPI element of the performance assessment 2008/09 had it still been assessed.

2 Recommendations

The Committee is asked to:

- a) Note the report content; and
- b) Monitor action plans necessary on failing or high risk indicators.

3 Background

Communities and Local Government (CLG) and the Audit Commission previously assessed operational performance indicators on the KPIs shown in the appendix to this report. The achievements contributed part of the scoring for the overall assessment of service delivery, for which Shropshire Fire and Rescue Service was confirmed with a top score of 4 for the last assessed period of 2007/08.

This table shows the outturn for the 2008/09 reporting year had the Audit Commission still been monitoring KPIs.

4 Report Content

This report documents performance against the indicators, and shows where this Authority would sit in the league table thresholds for scoring purposes if still being assessed. The performance achieved is the full 2008/09 reporting periods.

Lower and upper thresholds are based on national fire service last verified performance tables (reporting year 2007/08).

5 Financial Implications

There are no financial implications arising directly from this report.

6 Legal Comment

There are no legal implications arising directly from this report.

7 Equality Impact Assessment

Officers have considered the Service's Brigade Order on Equality Impact Assessments (Personnel 5 Part 2) and have decided that there are no discriminatory practices or differential impacts upon specific groups arising from this report. This is a factual report based on historical statistical data, with no recommendations for change and therefore has no direct impact on people. An Initial Equality Impact Assessment has not, therefore, been completed.
