

Arson

UK
Business
Safety
Week 2016

It's your business

There are more than 3000 arson attacks on businesses each year in the UK

Protect your business

- Store rubbish away from buildings
- Rubbish should not accumulate
- Review security and access to your site
- Report anti- social behaviour to the police and share information with neighbouring businesses
- Report evidence of any fire to your local fire service
- Fit anti-arson letter boxes
